

GCCL / GACUS UMPIRE ASSESSMENT FORM

For GACUS appointed umpires only

Captains are requested to confer and agree a balanced and objective assessment of the performance of each umpire. The HOME team should use the web form for both umpires (unless the captains agree otherwise)

Use of this sheet is entirely optional, – e.g. to make a record directly after the game. The required report is the web form on www.gccl.org.uk. One sheet per umpire, but the web form has space for both reports
